Noriko Matsubara

I'm an artist and children's book author/illustrator from Japan, now based in the UK. I take pride in my debut picture book, "Bocchi and Pocchi: A Tale of Two Socks." Originally published in the UK, this heartwarming series has gained international acclaim with translations in six languages. Selected as one of the illustrators for the new Cbbies (BBC Children) app in 2021, my illustrations bring captivating stories to life.
