Title: \_\_\_\_\_

## beginning

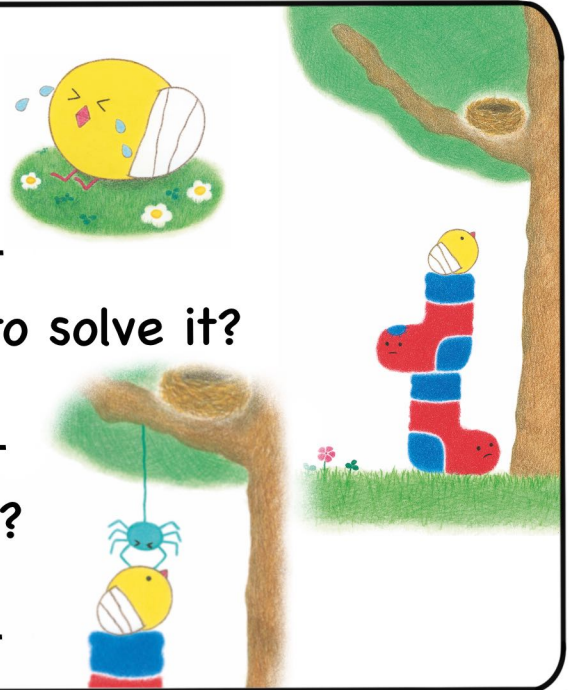

- ◆ Bocchi and Pocchi go for a walk.  
Who did they meet?

A bird.

## middle

- ◆ What is the problem?

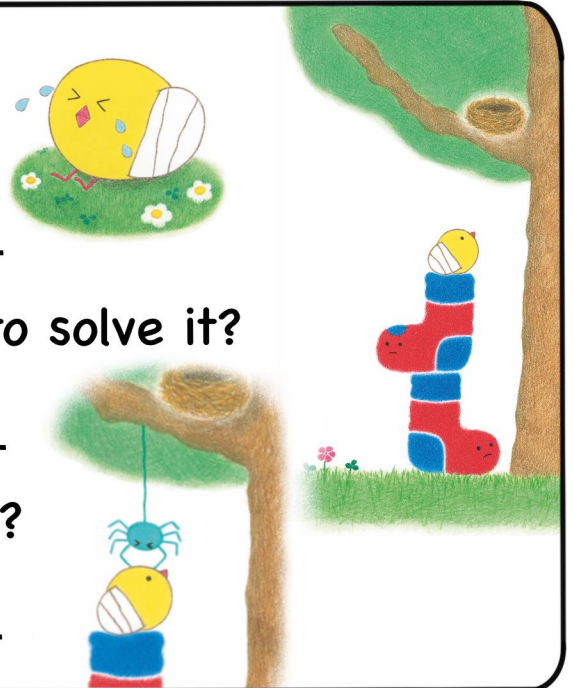

The bird can't get back to her nest.

- ◆ How do Bocchi and Pocchi try to solve it?

By climbing on top of each other.

- ◆ How does Spider try to solve it?

By lifting the bird.

## end

- ◆ How is the problem solved?

Bocchi and Pocchi take the bird home.  
All the socks get together to make a nest.

- ◆ When morning comes, what happens?

They find eggs.
